_____ I would like to add a checking account to my credit union membership. I understand that the credit union will pull a Chexsystems report and that I may be denied a checking account if I have unpaid closures or a history of account abuse at other institutions according to the Chexsystems report.

_____ I would like to add a Christmas Club Account to my credit union membership. My Christmas Club balance will be transferred to my Primary Savings Account on the first business day of October and will be available for use at that time. A fee will be charged if I withdraw from my Christmas club account before the first business day of October.

_____ I would like to add a specialty savings account to my credit union membership.

This is a request for additional account services and is not an account agreement. You will be contacted by an AECU Member Service Representative when your request is processed. Your MSR will go over the details of your account, the benefits available to you, and prepare a signature card for all members to sign. Please list a good contact number above.
